

# ABC's of Parenting in Paris

5<sup>th</sup> edition

The essential guide to survive and thrive as a family in the French capital

Researched and written by a team of MESSAGE members and reviewed by professionals, the ABCs of Parenting in Paris has been completely revised and updated.

With dozens of contributions from parents living and working in the great French capital, the ABCs of Parenting in Paris is your essential guide for navigating the ins and outs of raising a family in Paris.

Filled with insiders' tips, practical information and detailed descriptions on parenting topics such as :

- child-friendly establishments
- schooling
- rainy-day activities
- employment in France
- pre-natal services
- and a variety of legal and administrative matters,

The 5<sup>th</sup> Edition ABC's of Parenting in Paris is a complete, up-to-date manual that puts the answers you need at your fingertips.

The ABC's of Parenting in Paris is an absolute "must" for anyone living – or contemplating life in Paris with a family. Even if you've been in Paris for years – with or without children – you're sure to learn something new.
